

CHILDREN'S CREATIVE PROJECT MENU FOR HOMESCHOOLING

Stay connected with friends and family and encourage creativity. Choose from the following project options.

<https://learn2gether.org/>

PUPPET SHOW

Create, perform and film a puppet show

- Choose a theme
- Make your puppets
- Write your script
- Rehearse your show
- Film your show
- Share with friends and family

ONLINE STORY HOUR

Record yourself reading

- Find your favorite picture book
- Practice reading it aloud
- Have someone record you reading or read live
- Ask your audience questions about the book. Discuss.

SKILL SHOWCASE

Schedule a virtual performance

- Decide what you'll perform or demonstrate
- Practice all week
- Record your showcase or perform live on Skype, FaceTime, WhatsApp, Zoom or any other online communication tool

INTERVIEW A RELATIVE

Ask a grandparent or relative questions you've prepared

- Brainstorm a list of questions to ask a grandparent or older relative
- Practice reading the questions aloud
- Call your relative and ask them your questions.
- Record the interview for posterity

VIRTUAL ART RECEPTION

Create works of art, display them, and offer a museum tour

- Spend a week to a month creating drawings, paintings, sculptures, sketches, and collages
- Decide how to display your work around the house
- Set up a video call with a friend or relative and take them on a virtual museum tour of your house
